

Third Party Authorisation Form

This letter serves as written authorisation to Allied Retail Finance Pty Ltd (**Automotive Leasing**) that I/we, the Customer(s) on the above referenced Lease Contract authorise Automotive Leasing to discuss any and all matters related to the Lease Contract and/or the leased Vehicle with individuals designated below until such time as I/we revoke such authorisation in writing.

I understand that any such discussion with the individuals indicated below may include information related to my/our personal financial matters in relation to the Lease Contract.

Levels of Authority

Level 1 – Payout Information Access

Grants the authorised party access to payout details, including the payout figure, expiry date, and payment instructions. A payout letter, including your address, may be sent to the authorised party upon request.

Level 2 – Account Information & Contact Changes

Grants the authorised party to request information and update account details such as contact information and mailing addresses. This does not include setting up payment arrangements. By selecting this level, you acknowledge that the authorised third party can make these changes without further authority from you, meaning future correspondence will be directed to the updated details on file.

Level 3 – Full Account Access & Modifications

Grants the authorised party full account access, including loan contract changes, due date changes, and payment arrangements, which may incur additional fees. The authorised party can make these modifications without us requiring further approval from you.
